

After-School Club

The After-School Club started on the 5th June and is run by Mrs Nassau and Mrs Springthorpe. It runs every day after school until 5:30pm.

During the sessions, children are able to take part in a variety of activities which include arts and crafts, cookery, board games, sports, ICT and much more. One of our latest activities involves the children having a sunflower growing competition.

Whilst at the club, the children are given juice; a sandwich, with a choice of fillings and some fruit. The club gives children the opportunity to take part in different and varied activities whilst staying in a familiar environment with school friends and well-known members of staff.
