

English

Traditional Tales – writing a traditional tale with a twist

Instruction writing – writing instructions for a new playground game

Maths

Counting in twos, threes, fives and tens

Completing multiplication and division calculations and word problems

Finding fractions of shapes, numbers and amounts. (halves, quarters and thirds)

Science Human survival and growth

We will be learning that humans have offspring which grow into adults.

We will be finding out about the basic needs of humans; describing the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

We will learn that medicines can be useful when we are ill, but that they can be harmful if not used properly.

ICT

We are Astronauts

Extra Provision

Healthy Living
Theme Day

Fighting Fit (Autumn Term 2)

Year 2

Music

Children will:

- play tuned and untuned instruments musically;
- listen with concentration and understanding to a range of high quality live and recorded music.
- experiment with, create, select and combine sounds using the inter-related dimensions of music.

PE – Gymnastics

The main focus will be balance and co-ordination. This will be done through creating different sequences using a range of jumps, turns, balances and travelling movements. Children will also be creating sequences both individually and with a partner.

DT

We will be working on:

- Designing and making a puppet
- Evaluating our finished product based on the design criteria

Art

We will be creating self-portraits, by using different drawing and painting techniques.
