

Newsletter Summer Term 2018

Welcome back everyone, we hope you had a wonderful Easter.

Our topic for the first half term is 'Growth and Green Fingers,' followed by 'The Great Outdoors' in the second half term. We are planning to spend lots of time outdoors so hopefully the weather will be sunny! During June we will be having a class trip to Conkerswhere we will be looking at mini beasts.

We have been very lucky to have a tennis coach for our PE lessons which will continue this half term. The children have progressed hugely with their confidence and hand eye coordination. PE will still be on a Monday afternoon - please make sure your child's PE kit is in school at all times. Children should not be wearing jewelry or earrings to school and long hair should be tied up with plain hair accessories.

The children are making great progress with their key words however it is really important that they are reading these at home too; key words are stuck into their organisers. Please remember that **homework is due in on a Tuesday and spelling tests are on a Wednesday.**

The government phonics test screening for Year 1 children will be in June; if you have any questions about this please do ask. We would greatly appreciate if you could continue to practise reading at home with your children as this is invaluable to them. Please make sure their organisers are being written in each time you read and that they are in school every day with their reading books.

Which is your favourite season and why?

Thank you for your cooperation,

Mrs Bryans and Mrs Donaldson
