

English

Letter writing, based on a story, from one character to another

Story writing, based on a story learned in class

Non-chronological report

Science: Human survival and growth

We will be furthering our understanding of the basic needs of humans; describing the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

We will be learning how to carry out a fair test.

Maths

Understanding two-digit numbers – partitioning numbers in different ways, reading, writing, ordering, finding patterns

Completing addition and subtraction calculations and word problems

Completing multiplication and division calculations and word problems

Finding fractions of shapes, numbers and amounts. (halves, quarters and thirds)

ICT

We are Astronauts

Extra Provision

Walk around
Shepshed

The Place Where I Live (Spring Term 1)

Art

We will be creating images of Shepshed using different drawing and printing equipment.

Year 2

Music

Children will:

- play tuned and untuned instruments musically;
- listen with concentration and understanding to a range of high quality live and recorded music.
- experiment with, create, select and combine sounds using the inter-related dimensions of music.

PE – Gymnastics

The main focus will be balance and co-ordination. This will be done through creating different sequences using a range of jumps, turns, balances and travelling movements. Children will also be creating sequences both individually and with a partner.

History and Geography

We will be learning about the area around our school; about how Shepshed has changed over time and how we would like it to change in the future.

We will be using maps to locate different places in Shepshed and creating some maps of our own.

We will be learning about playground games now and in the past.
