### A Report About Shepshed

By Lilly

Did you know that St Winefride's School used to be a little bit like a cottage? St Winefride's School used to be a house with one little classroom.

#### The Library

The library has loads of books and the Co-op is right next to it. In the library you have to be quiet because people are reading.

#### Co-op

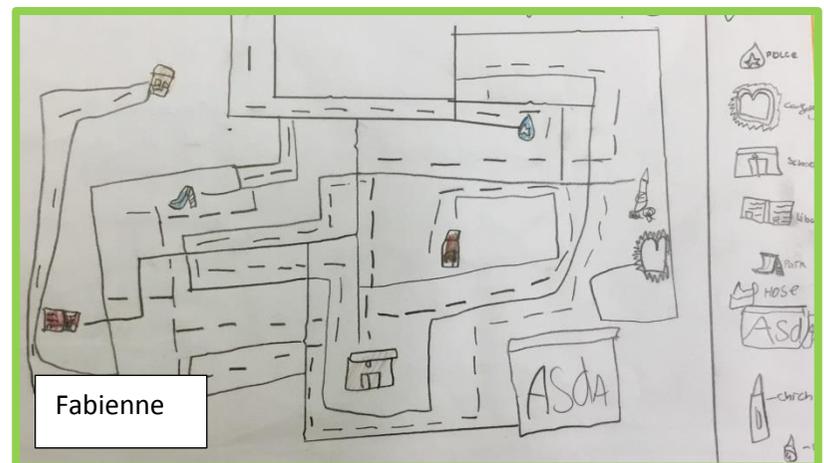

The Co-op is a shop and it has loads of food. My favourite is ice-cream. The Co-op used to be the British School.

#### Church

The church is where we go to say prayers and Father Michael is there. The church has been there for a long time. We also go to church to pray to God and Jesus.

#### Dentist

The dentist is a very fancy building. The building has very big statues. You go to the dentist so your teeth are nice and clean and shiny.

# Shepshed

By Holly

This report will tell you all about Shepshed now and in the past.

## All About Shepshed

Shepshed used to be called Sheepshead but now it is called Shepshed. It was called Sheepshead because there were lots of ginormous hills with sheep with wool as soft as a pillow. Lots of buildings have changed, like the library because the library used to be a block of houses but they got knocked down. The Gasworks used to have lots of big tanks and mothers used to bring children with horrible coughs to breathe the disgusting fumes.

## Dentist

The dentist used to be a bank and has pictures carved in the top. The dentist was meant to be built in Derby. The dentist is called Charnwood Dentist.

## Park

The park is an amazing place because it has lots of fun things to play on. The park used to have a bandstand where bands would play for all of the people. The park is really fun.
