

# Extraordinary Minister for Holy Communion

On Tuesday 29<sup>th</sup> January we were fortunate to be visited by Mrs Lawson. She came to talk to us about her role within the parish community as an extraordinary minister of Holy Communion.

Mrs Lawson told us of how she assists Fr. Michael during Sunday mass, helping with the distribution of Communion, then assisting with cleaning of the Sacred Vessels.

She showed us the special garment that she wears on the altar, called a Scapula. It was presented to her when she was first enrolled as an extraordinary minister of Holy Communion at the Cathedral in Nottingham.

She then showed us her special equipment that she takes when she visits people who are unable to come to church to help them receive Holy Communion.

She has a special cloth, called a Corporal. A crucifix and a special container called a Pyx to carry the Eucharist.

She explained many things about her ministry and the role she plays within the Community. Year 4 are extremely grateful to her for spending time with us and helping us understand more about her role in our Parish.
