

*This term, Year 5's topic was Food, Glorious Food! This linked in nicely with Christmas around the corner, so as part of our DT focus, we decided to bake Christmas biscuits.*

*We found a recipe, bought the ingredients and measured them out before mixing together.*

*Using cutters, we made different 'Christmassy' shapes and baked them.*

*Finally, we were able to decorate using different kinds of icing.*

*The day was great fun!*
