

On the fifth day, God created.....

'Then God said, "Let the waters teem with swarms of living creatures, and let birds fly above the earth in the open expanse of the heavens." And God created the great sea monsters, and every living creature that moves, with which the waters swarmed after their kind, and every winged bird after its kind; and God saw that it was good. And God blessed them, saying, "Be fruitful and multiply, and fill the waters in the seas, and let birds multiply on the earth." And there was evening and there was morning, a fifth day' Genesis 1:20-23.

This term the Art Group has created an "Under the Sea" display.

They have made fish and sharks using paint, paper plates, coloured circles, felt tipped pens and weaving. The jelly fish are made from acetate and bubble wrap. By mixing paint, sand and glue they achieved a rough sandy texture for the crabs.
