

Seaside Wow Day

Year 2 had great fun during our seaside themed wow day on Friday 13th October. We took part in many different activities all related to our topic on seaside holidays now and in the past.

We wrote seaside acrostic poems, describing all the things we can see and do at the beach.

We really enjoyed measuring different flavours of squash to create seaside cocktails.

We painted lighthouses and drew seaside pictures.

We also made ice-cream cone cakes. Our favourite part of the day was eating the cakes!
