

'while shepherds watched their flocks by night'

Christmas tree competition at St Botolphs church - 2017

This year our sheep themed tree - 'while shepherds watched their flocks by night' - went down very well and our hard work and creativity paid off as we came in [4th place](#), with only a handful of votes between us and third place.

[On Friday 15th December, we were also presented with a special award.](#)

How exciting!
Well done everyone!
