

This term the Art Club have been making Humpty Dumpty.

Humpty has been made of paper mache applied to a balloon. Then he was decorated with coloured paper. His arms and legs have been created by folding strips of paper to form a spring. Instead of soldiers, (as in the nursery rhyme) Maya, Dexter, Kiyana and Matthew have made figures of themselves. The bricks have been printed using a sponge.

Four little blackbirds sitting on the wall,

One flew up a tree,
Then there were three.

Three little blackbirds sitting on a wall,

One hid in a shoe,
Then there were two.

Two little blackbirds sitting on a wall,

One flew after John,
Then there was one.

One little blackbird sitting on the wall,

He had a little moan,
And left Humpty all alone.

By Kiyana, Matthew,
Dexter and Maya.
