St. Winefride's Catholic Voluntary School

Accessibility Plan

Date: April 2024

To be reviewed: April 2027

Approved: R Patman

Date: 14th May 2024

Introduction:

Schools are required under the Equality Act 2010 to have an accessibility plan. This plan identifies the ongoing actions of the Governing Body of St Winefride's Catholic Voluntary Academy to increase access to education for disabled pupils in the following three areas;

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

As a Catholic School, we at St. Winefride's are committed to providing a fully accessible environment and curriculum which values and includes all children and enables them to achieve their very best regardless of their education, physical, sensory, social, emotional and cultural needs. We look to the life and teachings of Jesus Christ as a model for the life of our school. We aim to remove all barriers to ensure that every child can enjoy and fully participate in all aspects of school life and benefit from the full breadth and richness of the opportunities we provide. We are further committed to developing a culture of awareness, tolerance and inclusion within our school.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues. The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

We have included a range of stakeholders in the development of this accessibility plan, including: pupils, parents, staff and governors of the school.

Legislation and Guidance:

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.
